October 3, 2007

The Honorable Stephen L. Johnson  
Administrator  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue, NW  
Washington, DC 20460

Dear Administrator Johnson:

Together with Chairman Brad Miller of the Committee on Science and Technology, Subcommittee on Investigations and Oversight, I wrote to you on September 17 requesting information on research conducted by the Environmental Protection Agency (EPA) into the air emissions of microwave popcorn. In response, your staff provided a briefing on these issues on October 1 at which they described a study on microwave popcorn emissions conducted by EPA and recently accepted for publication in a scientific journal.

As a follow-up to that briefing, I am writing to request a copy of this study, as submitted to the journal and accepted for publication. Please provide a copy no later than Tuesday, October 9, 2007.

I appreciate your prompt attention to this matter. If you have any questions related to this request, please contact Robin Appleberry or Stephen Cha at (202) 225-5056.

Sincerely,

Henry A. Waxman  
Chairman
